

Dunkley Ward community leave agreement

my name.....

Dr..... has said that
I can have some community leave

The nurses can only let me go out on my community
leave if I am feeling calm and relaxed

They will know that I am calm and relaxed if I am

- talking nicely to everyone

- listening to staff

- not shouting or swearing

- taking my medication

I can have..... of community leave

I will have to get back to Dunkley by.....

I must agree to give my lighter back to the nurse
when I get back to the ward
