

In-patient service staffing

Ward	Number of registered nurses (WTE) - permanent	Number of registered nurses (WTE) - agency/temp	Number of other nursing and care staff (WTE) - permanent	Number of other nursing and care staff (WTE) - agency/temp	Number of patients	Number of beds
-------------	--	--	---	---	---------------------------	-----------------------

Please state the basis for your figures, for example is it an average over a month or a snapshot on a particular date, and state the relevant date(s).

Crisis resolution and home treatment staffing

Category of staff	WTE - permanent	WTE - agency/temp
Consultant psychiatrist	0.8	0
Other medical	6.4	0
Qualified nurses	30	3
Other nurses and health care assistants	1	0
Peer support workers	6	0
Other support workers	5	2
Other clinical / therapeutic / care staff	4	0
Administrative staff	1	1

Note: please change or expand the staffing categories if this makes it more practicable to complete. Please note that we are most interested in being able to differentiate 1) nursing and other clinical and care staff from medical and administrative staff, 2) qualified from unqualified staff and 3) permanent from agency/temporary staff.
