Dear [REDACTED]

Re: Information Request – Freedom of Information Act 2000

Following your request for information we received on the 25 November 2014, we are providing you with access to the recorded information held by Camden and Islington NHS Foundation Trust in answer to your enquiry.

You requested the following information:

“I am currently researching for a book on the Powell family. It may seem a strange request but you might at least know who to contact if you can't answer the question. A portrait painting of John Clarke Powell (a former treasurer or patron of the closed St. Luke's Hospital) is said to be now in the possession of Camden and Islington NHS. I just wondered if it is hanging anywhere? I don't need to see it but would like to know about its whereabouts.”

I can confirm that the Trust is currently holding the portrait painting in store.

I do hope you are satisfied with the way in which your response was handled, if not you may request an internal review at the above email address within 28 days of this letter. When contacting the Trust please use the above reference that is unique to your request.

If you remain unsatisfied with the outcome of the internal review, you may seek further recourse by lodging an appeal with the Information Commissioner' Office at Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF and on the Information Centre's website. www.ico.gov.uk/

Yours sincerely
