Dear [REDACTED]

**Re: Information Request – Freedom of Information Act 2000**

Following your request for information we received on 10 October 2014. The Trust has looked into your request under the Freedom of Information Act 2000, but it is with regret that we are unable to provide in detail the information you have requested.

You requested:

**I would be grateful if you could provide me with the following information:**

- **The total number of patients removed from your elective inpatient waiting list, in each quarter of each of the last five years**
- **The number of patients removed from your waiting list because the patient was admitted as an emergency for the same condition, in each quarter of each of the last five years**
- **The number of patients removed from your waiting list because the patient died whilst waiting, in each quarter of each of the last five years**

I am aware that the Trust did seek clarification from your office in relation to the above request on 14 November 2014. Please note that there is no need to respond to that request for clarification, because the Trust's Director of Nursing and People, Claire Johnston, has confirmed that the Trust does not hold this information because it does not have waiting lists for inpatient services.

Please accept my sincere apology on behalf of the Trust for the delay in responding.

I do hope you are satisfied with the way in which your response was handled, if not you may request an internal review at the above email address within 28 days of this letter. When contacting the Trust please use the above reference that is unique to your request.

Chief Executive: Wendy Wallace

If you remain unsatisfied with the outcome of the internal review, you may seek further recourse by lodging an appeal with the Information Commissioner' Office at Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF and on the Information Centre's website.
