You requested the following information:

I'm completing a piece of work looking at the amount CCGs allocate to trusts for spending on Adult Mental Health and I'm hoping you are able to help me collect some information. Are you able to forward me your budget breakdown for 2014/15 for CCG income please? I'm specifically looking for the figure to be spent on Adult Mental Health Services for 2014/15 and what percentage this is of the trust's total CCG allocation.

The Trust's response is as follows:
