Becoming a member

Camden and Islington NHS Foundation Trust provides the best possible treatments and care for people with mental health and substance misuse problems. By becoming a member of our Trust, you can help ensure we are a more responsive organisation with a detailed understanding of the needs of our service users, local communities and staff.

Membership is free and open to anyone aged 16 or over who lives in Camden, Islington or any other borough in the rest of London, or who has used our services in the past five years (or their carer). C&I staff are automatically members of the Trust.
