Research Ethics Committee Reference Number	Name of Trial	Date of Receipt of Valid Research Application	Date of NHS Permission	First Patient Recruited?	Date of First Patient Recruited	Duration between VRA and NHS Permission	Duration between NHS Permission and First Patient	Duration between VRA and First Patient	Benchmark Met	Comments	Reasons for delay correspond to:
14/LO/0055	Improving outcomes in adults with epilepsy and intellectual disability: A cluster randomised controlled trial of nurse led epilepsy management (EpAID)	26/05/2015	28/05/2015	Yes	01/10/2015	2	126	128	No	We have experienced some difficulty in gaining permission from CLCH as the main nurse involved in the study is employed by this organisation (although the patients are BEH patients). We have today (07/10/2015) been given permission by CLCH for the nurse to take part in the study.	Neither
14/LO/2105	ToSCA: Trial of Sertraline versus CBT for generalised Anxiety	07/05/2015	05/06/2015	Yes	29/09/2015	29	116	145	No	Relevant patients not consenting	Neither
15/NW/0252	Quality and Effectiveness of Supported Tenancies for people with mental health problems (QuEST): Workpackage 4	07/05/2015	27/05/2015	Yes	19/06/2015	20	23	43	Yes		Unknown
15/LO/0511	ECOMPARED Internet Supported CBT for Depression: A randomised, pragmatic, feasibility trial (version 1.11)	15/06/2015	13/07/2015	Yes	23/09/2015	28	72	100	No	Recruitment was delayed because permissions were delayed. We (research team) received our research passports on 22/07/15. We recruited clinicians the following week and opened recruitment on the 3rd of August. Unfortunately, there has been a delay in recruiting participants for various reasons, clinicians unavailable (annual leave etc), clinicians not recruiting into the trial or deeming patients as not eligible.
